

EUNIS 2015: The Journey to Discovery
10-12 June 2015
Abertay University, Dundee, Scotland

Call for papers deadline extended

The call for papers deadline has now passed, however due to a number of requests we have agreed to extend the period to allow for more submissions. We've had a fantastic response so far and look forward to receiving further papers before the final deadline.

New deadline date is **Friday 27th February 2015**.
THIS IS THE FINAL DEADLINE AND NO FURTHER
EXTENSIONS WILL BE CONSIDERED. Papers can
be submitted on any of the following tracks:

Leadership, Management and Governance
Information & Communications Technology
Teaching and Learning
Corporate Information Systems & Business Applications
Research and IT (in collaboration with euroCRIS)
Software Development

Please note that submissions can be extended abstract only, and do not need to be full paper submissions.

For further information on how to submit please visit:
